

**LOW COST MEDICAL PROVIDERS
JOPLIN AREA**

The following Medical sources either provide free or low cost medical care or accept Medicaid patients. To find out what medical services you may be eligible for, you should contact these providers directly.

An application for Medical Assistance or Medicaid may be filed at the Division of Family Services office in the county where you live. A Medicaid card will allow you to seek treatment from any health care provider that accepts Medicaid payments.

If you need a referral to a specific physician or specialist who accepts Medicaid you can contact either Freeman Hospital at 417-625-3767 or St. John's Hospital at 417-625-2058.

If you already have Medicaid benefits and have difficulty getting to and from your doctor appointments, you can contact the Medicaid Transportation Service at 1-888-863-9513 to arrange a ride. Be sure to call well in advance of your scheduled doctor appointment.
